

Phillips Reaches Two Decades with Animal Science Products, Inc.

April 1, 2011

Twenty Years of Service

Nacogdoches, Texas – In honor of Mr. Mark Phillips' twenty years of service, a company-wide breakfast celebration was held on March 22, 2011. Mr. Phillips was presented with a gift as a token of ASP's appreciation.

Mr. Phillips began his career with Animal Science Products as Warehouse Manager and was later promoted to Customer Service where he spent approximately nine years. Mark was then relocated to Fort Worth, Texas and served as Territory Manager with responsibilities for the western portions of Texas, eastern New Mexico, and Oklahoma. In 2008, he moved into his present position of Purchasing Manager, relocating back to Nacogdoches. Commenting during the breakfast ceremony, Mr. Bailey Reynolds said, "In today's society, loyalty, as demonstrated by Mark with his service of twenty years, is unusual and we certainly appreciate his honesty and integrity."

Mr. Phillips was joined by his father, Rev. Richard Phillips, and his wife, Angie. They have two children, Jacob and Katelyn.

Animal Science Products, Inc. is a family owned and operated business that was founded in 1985 to service all facets of the feed and food animal production industry. The firm produces and distributes a full array of high-quality feed additives, micro ingredients and premixes for all species. Animal Science Products also serves the livestock, poultry, and companion animal markets with nutritional and health-related packaged goods. The company currently has sales in twenty-three states and twenty-five countries. To learn more about Animal Science Products, Inc., please visit our website at www.asp-inc.com.
