PACKAGING

4 Ounce packages
60 Packages per reusable shipping bucket

CAUTIONS

For use in animal feeds only.

Keep out of reach of children.

Store in a cool, dry place.

AVIAN SUPER PACK™

VITAMINS AND ELECTROLYTES

ADVANTAGES

- Maximum vitamin concentration formulated for genetically superior poultry.
- Contains a high level of Vitamin E. Protects body tissue, maintains skeletal muscles, and heart muscle functions.
- Contains a maximum level of Biotin, essential for healthy skin, feathering and reproduction.
- Contains citric acid to allow maximum utilization of essential vitamins.
- Helps maintain vitamin and electrolyte levels during periods of reduced feed consumption.
- Contains potassium and sodium to enhance normal physiological fluid balance in the body.

INDICATIONS

AVIAN SUPER PACK™ is a water soluble vitamin and electrolyte pack for the drinking water of all species of poultry.
