

AVIAN SUPER PACK

INTERNATIONAL

SOLUBLE VITAMINS AND ELECTROLYTES

www.asp-inc.com

Specification Sheet

INDICATIONS

A vitamin supplement for periods of stress and/or reduced feed consumption. Avian Super Pack International is a water dispersible vitamin and electrolyte mix designed for the drinking water of all species.

ADVANTAGES

- Maximum vitamin concentration formulated for genetically superior poultry.
- Contains a high level of Vitamin E. Protects body tissue, maintains skeletal muscles, and heart muscle functions.
- Contains a maximum level of Biotin, essential for healthy skin, feathering and reproduction.
- Contains citric acid to allow maximum utilization of essential vitamins.
- Helps maintain vitamin and electrolyte levels during periods of reduced feed consumption.
- Contains potassium and sodium to enhance normal physiological fluid balance in the body.

DIRECTIONS

To dispense in water, dissolve one 100 g package into 1000 litres of drinking water. Use as the sole source of drinking water for 3 to 5 days. Repeat as necessary. To supplement complete feed, mix one 100 g package into 1000 kg feed.

CAUTIONS

Not for human consumption.
Store in a cool, dry place.
Keep out of reach of children.

PACKAGING

100 g. Packages
60 Packages per reusable shipping bucket.
