

CTC-10

Specification Sheet

TYPE "B" MEDICATED ARTICLE

www.asp-inc.com

INDICATIONS

A TYPE "B" MEDICATED premix formulated for uniform dispersion in chicken, turkey, duck, swine, cattle, sheep, mink and horse feeds.

INGREDIENTS

Guaranteed Analysis:

Chlortetracycline Hydrochloride g/lb.....10

Dried Chlortetracycline Fermentation Meal, Calcium Carbonate, roughage products and mineral oil.

DIRECTIONS FOR USE

Mixing Directions: See product label for full mixing directions.

Each 1 pound addition per ton provides 10 grams active CTC/ton.

CAUTIONS

WARNING: Read mixing directions page for withdrawal periods on specific animals.

Also some animals cannot be fed feeds containing this premix if they are being raised for human consumption.

For use in the manufacture of finished feeds.

Keep out of reach of children.

Store in a cool, dry place.

PACKAGING

50 lb. Bags

Specially designed multi-wall bag contains 2 exterior walls of paper for protection, an inner-poly liner for moisture protection followed by an interior paper liner.

ADVANTAGES

- Aids in growth promotion and feed efficiency in chickens, turkeys, swine, growing beef cattle, lambs, sheep and mink.
- Aids in maintaining or increasing egg production or hatchability of eggs in laying chickens.
- Aids in treatment of blue comb (non-specific infectious enteritis, mud fever) in turkeys.
- Aids in reducing the spread of leptospirosis-sole in swine.
- Aids in the prevention of liver abscesses in feedlot cattle.
