## PET-OX<sup>®</sup> brand Premium Liquid Antioxidant

### Description

A liquid product containing antioxidants, which is designed to protect pet foods, pet treats and petfood ingredients from autoxidative deterioration.

### Typical Characteristics

Color	Light yellow
Odor	Bland
Weight per Gallon	7.8 lb/gal
Viscosity	40-100 cps at 25° C

### Quality Specifications

Specific Gravity	0.920-0.940
Refractive Index	1.480-1.490

### Ingredient Listing

Vegetable Oil, Butylated Hydroxytoluene, Butylated Hydroxyanisole and Lecithin. (U)

### Recommended Application Rate

Use 0.5-1.5 lb/ton or 0.25-0.75 kg/metric tonne (250-750 ppm) for fats and oils. Apply to protein meat meals at 1 lb/ton or 0.5 kg/ metric tonne (500ppm). When fats and oils are applied to pet foods, the actual inclusion rate will depend upon formulation, storage conditions, and desired storage time of the petfood product. Using a Kemin application system to inject PET-OX<sup>®</sup> Premium Liquid into a line carrying fat/oil or protein meat meal may improve consistency of dispersion. Maintain the temperature of the product and delivery line between 65 and 90°F (18-32°C) during use.

### Storage and Shelf Life

For best results, do not store continuously at freezing temperatures or near direct heat. Use within 24 months of the manufacturing date. Keep container closed when not in use.

All information, recommendations, and suggestions in this bulletin concerning the use and labeling of the products described herein are based upon present knowledge, experience, tests and data believed to be reliable. However, it is the customer's responsibility to determine the suitability of these products for its own use. Since the actual use of our products by customers or others is beyond our control, no guarantee, express or implied, is made by Kemin Industries, Inc. as to the effects of such use and labeling or the results to be obtained. No warranty of any kind, express or implied, is made by Kemin except that the products sold hereunder shall be of merchantable quality, conform to specifications and relevant law. You assume all risks and liability for results of use by you or third parties of the products covered by this technical sheet, including use by you of such products in combination with other substances. Kemin is not responsible for any incidental, consequential or special loss damages resulting from the breach of this or any other express or implied warranty with respect to the products or if the products are used for a purpose other than described herein.
